Position	Installations Engineering Surveyor
Office	London
Apply To	Alan Bowdery / John Clarke
Closing Date for Applications	Until Position Filled

Details

A vacancy has arisen for an additional Engineering Surveyor based in our London office working within our engineering department. This position is nationwide based.

This busy rewarding role will include, but will not be limited to the following:

- The surveying of sites.
- The purchase and planning of all materials for projects.
- Close co-ordination with all departments, clients and consultants.
- The efficient use of the installations database systems.
- The close co-ordination of the companies' ISO procedures.
- Compliance with all company policies, in particular our ISO, Health & Safety and Environmental Policies.
- Other duties as required by the position.

The successful applicant will have suitable previous experience of the industry and be able to work efficiently within a busy department. The ability to communicate with clients, suppliers and employees is essential.

In return we can offer:

- We offer a competitive salary.
- Benefits package including a company car or inclusion in the car cash allowance scheme.
- Participation in the company profit sharing scheme after a qualifying period.
- Contributory Pension Scheme.
- Contributory Private Health Care Scheme.

Please apply in writing by post or email to:

Mr Alan Bowdery or Mr John Clarke
